- **Richard discussed the upcoming election of Board Members. There are vacancies for next year and they need to be filled. Please consider volunteering as the club should have these positions rotating among the members. Richard would consider being VP if no one else steps forward but would like to be in the position of “past president” in attendance with the new board.**
- **Alan Whitford suggested a Quiz contest for the Christmas Party to liven things up. Each team will receive a list of questions to answer in a short period of time. The winners get a prize.**
