

## MONTHLY MEETING - MARCH 11, 2013

Hi everyone, missed some of you last night but did have a very good turn out. As George told you we had two guests, Danny George and a co-worker and invited us to his shop for tech day or anyone that needs work on there cars, oil change, up grade engine, and he has a Miata with a V8 that he will show us and very involved in the competition called Drifting. Now I would like to know how many of us will be interested in a tec day and I'll arrange it for a Saturday. Danny maybe at our April meeting so those of you that may have questions and all that they do at there shop please try to come. Also please respond to me of those interested.

James Small and Linda are working with the Boulder City Railroad function two Sundays in April.

Richard and Mimi are going to be working on the May Picnic at their club house in Summerlin either Saturday or Sunday in May. Gloria is working on the Shakespeare Festival for some time this summer or early Fall.

The Run this Saturday is 20 people so far, meet at Sunset Station at 9:00am leave at 9:15, go to Kingman and eat at the Cracker Barrel, then off to The Distillery as Mimi called this our (Whiskey Run) after that we will head over to Oatman for a great car run in the hills and those that want to stop and site see can or just head into Laughlin and home.

We are doing a run Sunday April 7th for the Lake Mead Cruse Brunch, As Nevadans we get 25% discount so tickets will be \$33.75 per person, we get enough people we may get our own deck for the food and ride,so let me know by March 27 so I can call and make reservations.

We had a new fellow Bob (not sure of last name) join us last night. Silly me I thought I'd left the tickets at home so we were not able to do raffle, low and behold I went looking for them today

and guess what they were in the back of the Miata, So someone needs to keep me in check at the next meeting and make sure I put them out for the raffle.

Just spoke with Barb Kawell and Jim still in hospital and doing more tests today and he may need surgery, so let us all keep him in our prayers.

We have talked about meeting at a different place and food. We have a very good deal at the Blue Ox so how about we meet once a month or every other month at a different restaurant during the month just as a get together? So at our next meeting come up with some ideas and great places you might think we could go to.

Hope all are well, and if you can join us at the last minute Saturday please come, should be fun.

Kathy and Roy
